Dear Parents,

Please note down in your diaries the date below of the Final Ski Trip Parents evening which will cover all vital information on the forthcoming trip to Axamer Lizum, Austria. It is vital that both you and your child attend the parents evening as there will be important rules and expectations discussed for the holiday.

The Date of the meeting is: - **Wednesday 25th February in Stucley Canteen at 5.30pm**

Essential things to bring in before the next ski parents meeting: -

- 1) EHIC European Medical Health Card. (This used to be known as the E111 form) Available online www.dh.gov.uk/travellers or from your post office. You will need to hand it in on the night of this parents evening or into the cash office for safe keeping.
- 2) Passport – you can either hand in to the cash office in a named, sealed envelope on the night or hand in to the cash office for safe keeping prior to the meeting. If you have placed your child on the collective passport you will just need to bring their EHIC card in.

Some other important information: -

- Final payments were due at the end of December, if you are still outstanding any money then this needs to be paid in full ASAP before the end of January. Any problems you can contact myself on the school number at the top of this letter.

If there is any area of this letter that you need clarification on then please feel free to contact Mrs Reay in the PE department during school hours.

For additional and up to date information about this year's trip to Axamer Lizum you can visit the trip blog website which is: www.bideford.devon.sch.uk/blogs/skitrip

Look forward to seeing you at the Parents evening.

Mrs S.Reay
